VCMS Boosters Conduct Agreement

The purpose of this organization is to enthusiastically support **ALL** students, programs, and coaches in a positive environment. We come together as community members, parents, and alumni with a common goal. That goal is to foster sportsmanship and participation. Collectively we bridge gaps that would otherwise prevent equal opportunity or inclusivity. As a group, we make selfless contributions that will have a positive impact, not only on the students we support but on our school district and community.

As a member of the VCMS Boosters you are expected to act in a manner that is productive, professional and constructive. In order to ensure the image or band of our organization is not tarnished, and our community relationships are not damaged; all members are asked to follow the guidelines set forth in this agreement.
